1. GENERAL

This agreement (the "Service Agreement") applies to various Personal Online Banking, mobile banking, mobile check deposit, and bill payment services (the "Service(s)"). "You" and "Your" mean the person enrolling in the Service and thereby agreeing to this Service Agreement. "Us," "we," and "our" mean CrossFirst Bank (the "Bank") and its successors and assigns. When you use, or you permit any other person(s) to use, any part of this Service, you agree to the terms and conditions of this Service Agreement and agree to comply with the instructions found on help screens. This Service Agreement and the Services are also subject to other agreements between you and us, including Rules for Deposit Accounts, Electronic Funds Transfer Policy and Funds Availability Policy. In case of conflict, this Service Agreement will control.

2. ELIGIBLE ACCOUNTS

To use the Services, you must have an eligible account. Eligible accounts for Personal Online Banking include CrossFirst Bank checking accounts, savings accounts, money market accounts, CDs and IRAs, as well as consumer loan accounts and certain business loan accounts. Eligible accounts for bill payment include CrossFirst Bank checking accounts only. Some, but not all, types of accounts with multiple authorized signers for withdrawals can be eligible accounts.

An eligible account can include an account held by a sole proprietorship you own, even if the business has its own Federal Employer Identification Number, but only if the business meets our requirements for eligibility as a sole proprietor business. Our Bankers can tell you if your business is eligible, or if it needs to establish its own Personal Online Banking account using our CrossFirst Business e-Banking product.

Deposit and loan accounts with common signers for withdrawals or common borrowers may be linked for access purposes. If your business is eligible to be included in the Service, the business accounts will also be linked with your personal accounts for access purposes.

BE AWARE THAT ANY SIGNER ON AN ACCOUNT, ACTING ALONE, WILL BE AUTHORIZED TO ACCESS A LINKED ACCOUNT.

3. PERSONAL ONLINE BANKING SERVICES; LIMITATIONS

- a. **Funds Transfers.** You may use the Service to perform unlimited internal transfers between eligible accounts. You may perform no more than 6 transfers per month from any savings or money market account.
- b. **Balance Inquiries.** You may use the Service to check the current balance and other account information on all of your deposit accounts and most loan accounts.
- c. **Account Services.** You may use the Service to view copies of checks and deposit account statements, place stop payments on checks, download your account information to personal management software and set up account alerts (e.g., to be notified if an account reaches a certain balance).

4. BILL PAYMENT SERVICES

a. Types

1. **Pay One/Pay Many.** "Pay One" or "Pay Many" are payments that you enter each time you want to make a payment(s). You schedule the date you want the payment(s) sent ("Payment Date").
2. **Recurring Payments.** "Recurring Payments" are sent automatically on an ongoing basis. You set up payment rules regarding their frequency, amount, and timing.

b. Limitations. The amount of any single or Recurring Payment shall not exceed \$9,999.99. The total amount of all bill payments in any one Business Day shall not exceed \$19,999.99. You may not use bill payment services to (a) pay taxes or make other payments to governmental agencies, (b) pay court-directed alimony or support or (c) make payments to payees outside of the United States or U.S. territory.

c. External Transfers. You may transfer funds to or from external accounts to your account(s) at the Bank. The amount and number of any external transfer to or from your Bank account may not exceed the limits established by the Bank, which may change from time to time at the Bank's discretion. You may perform no more than 6 transfers per month from any savings or money market account. External transfers are subject to additional authentication procedures, which are outlined in Section 10, "Access Codes and Security". There will be a two day hold on all external transfers following the date of transfer. External Transfers may not be available on all accounts.

d. Procedures. You authorize us to follow your payment instructions. We will deduct your payment(s) from your checking account on the Payment Date or within 2 Business Days of the Payment Date. For Recurring Payments, we will deduct your payment from your account on the start date ("Start Date") or within 2 Business Days of the Start Date. We will deduct subsequent payments from your account using the Start Date as a reference point. We will initiate payments to payees designated by you ("Payees"). To ensure on-time payments, allow at least 3 Business Days for electronic and 5 Business Days for standard check payments. If a payee does not accept electronic payments, you authorize us to make payment by check. We may, but need not, deduct these payments from your designated account even if they create an overdraft. Expedited payment services are available for a fee. Expedited payments may be made via electronic payment or check, depending on the requirements of the payee. A convenience fee of \$15 will be assessed for expedited electronic payments, and a convenience fee of \$25 will be assessed for expedited paper payments.

The date a Payee credits a payment depends upon the Payee's payment processing procedures and any specific requirements for payments, as well as delays in receiving a payment. We will not be responsible for: (a) delays in crediting payments by a Payee that are the result of these procedures; (b) your failure to follow a Payee's payment requirements; (c) your failure to schedule a proper date for payment sufficiently in advance of the date a payment is due; (d) delays in any mail service or (e) other exceptions stated in this Service Agreement.

If you follow the procedures described in this Service Agreement and help screens, and we fail to send a payment on the Payment Date or other scheduled payment date, we will reimburse you for any late charge penalty assessed by a Payee because your payment was received late. In any other event, the risk of incurring and the responsibility for paying any and all late charges or other damages or penalties shall be borne by you. If you think you are entitled to a reimbursement for a late charge penalty, call us at (844) 261-2548.

You authorize us to make payments by electronic, paper or other means we determine appropriate. You are responsible for having sufficient available funds on deposit to make payments in full on scheduled dates.

- e. Termination.** Upon termination of the bill payment service, you will be responsible for making arrangements to pay any future or recurring payments. We reserve the right to refuse to pay a Payee for reasons we deem sufficient, including, without limitation, if (a) your designated account has insufficient available funds, (b) a payee has refused to accept a payment, (c) you attempt to make a payment to a governmental agency or to a payee outside of the United States or a U.S. territory, or (d) you attempt to make a court- directed alimony or support payment.

6. MOBILE CHECK DEPOSIT SERVICE

Mobile Check Deposit Service (MCDS) is an additional service that provides you with the option of making deposits into an Eligible Account. Through the service, via your camera-enabled mobile device, you can capture and convert checks into a check image and then transmit the check image to us or our designated processor for processing and collection.

- a. Scope of Service Agreement.** This Service Agreement governs your use of the MCDS. The MCDS allows you to use a Mobile Device to scan original checks or other deposit items that meet our required standards ("Checks") and electronically transmit images of the Checks and associated deposit information to the Bank for deposit to your designated account(s). The Service converts your scanned Checks into digital images, which are then cleared and presented for payment as either substitute checks, in accordance with the Check Clearing for the 21st Century Act ("Check 21 Act") and Federal Reserve Board Regulation CC ("Regulation CC"), or electronically converted checks which are processed in accordance to the National Automated Clearing House Association rules ("NACHA"), or through other image exchange programs.

The terms and conditions in this Service Agreement are in addition to, and do not cancel, supersede or replace your Deposit Account Agreement, or any other agreements, rules, disclosures, procedures, standards, policies, or signature cards relating to your deposits, loans, services, or other business relationships with the Bank. Additionally, your use of the MCDS will be subject to all of the terms or instructions which may appear on-screen when you access the Service, or in user guides, and/or other information or documentation that the Bank may provide to you from time to time regarding the Service. Your use of the MCDS is also subject to, and you agree to comply with, the applicable rules and regulations of the National Automated Clearing House Association (NACHA), all other applicable clearing house rules, regulations, operating circulars and agreements, the Check 21 Act, Regulation CC, Office of Foreign Assets Control sanction laws, the Bank Secrecy Act, the USA PATRIOT Act, the Uniform Commercial Code (UCC) as enacted in Kansas, and all other applicable state and federal laws and regulations, all as amended from time to time.

- b. Definitions**

"Check image" means an electronic image of an original paper check or an electronic image of a substitute check that is created by you, us, or another bank or depository institution in the check collection system.

"Substitute check" means a paper reproduction of an original check that contains an image of the front and back of the original check, is suitable for automated processing in the same manner as the original check and meets other technical requirements set out in the Check Clearing for the 21st Century Act (Check 21) as implemented by Regulation CC of the Federal Reserve Board.

- c. Hardware and Software Requirements for the MCDS.** In order to use the MCDS, you must have an Android or Apple Mobile Device with a mobile web browser that supports cookies and that is acceptable to us and a wireless plan from a compatible mobile wireless provider. You must also use

the operating system(s) and software that satisfies all technical specifications and other requirements that we and/or our service provider(s) establish and specify. We and/or our service provider(s) may change these specifications and/or requirements from time to time.

Unless otherwise provided in this Service Agreement, you are solely responsible, at your own expense, for purchasing, installing, operating, testing and maintaining all hardware and software necessary to use the MCDS. You must install and test your Mobile Device, your system, and any other required hardware and software before you make your first deposit through the MCDS. We are not responsible for any third-party software that you may need to use the MCDS. You accept any such software "as is" and subject to the terms and conditions of the software agreement that you enter into directly with the third-party software provider at the time of download and installation.

We are not responsible for providing, maintaining or servicing your Mobile Device or any other equipment for you, nor are we responsible for any costs you incur in using your Mobile Device or in accessing the MCDS. You agree that you will perform, or cause to be performed by properly trained personnel, all vendor recommended maintenance, repairs, upgrades and replacements.

We are not responsible for, and you release us from, any and all claims or damages resulting from, or related to, any computer virus or related problems that may be associated with using the MCDS, e-mail or the Internet. You agree that all images and files transmitted to us through the MCDS will contain no viruses or any other disabling features that may have an adverse impact on our network, data, or related systems.

d. Use of Mobile Check Deposit Service. You agree to comply with the following conditions and limitations in the use of the MCDS:

1. Before you scan a check, you shall include the following specific handwritten or stamped endorsement: "For Deposit Only at CrossFirst Bank, Account Number [NUMBER]."
2. After the check has been scanned and submitted to us for deposit, you shall not otherwise transfer or negotiate the original check, substitute check or any other image.
3. You shall be responsible for the original check, including any storage, retrieval, and destruction
4. The electronic image of the check or any other substitute check, as defined by federal law, will become the legal representation of the check.
5. Only items payable directly to you may be deposited through the MCDS.
6. Only items drawn on qualified United States financial institutions may be deposited through the MCDS.
7. You may not deposit a check containing an apparent alteration to any of the information on the front of the check.
8. You may not redeposit a check previously deposited and returned to you.

e. Check Requirements

1. **Image Quality.** Both the front and back of each Check must be transmitted to the Bank as provided in any user guide or other instructions provided to you by the Bank or the MCDS, including on-screen instructions. All checks submitted must be legible. The Bank in its sole discretion may refuse to accept Checks that do not meet our image quality requirements. This includes, without limitation Checks where:
 - i) the front and/or back image is too large or too small;
 - ii) the front and/or back image is too light or too dark;
 - iii) the front and back images have a dimension or other mismatch or discrepancy;
 - iv) the image has torn or folded edges, cut corners, or other damage;
 - v) the image does not comply with the standards for image quality established from time to time by the American National Standard Institute (ANSI), the Federal Reserve Board, any other regulatory agency, clearing house or association, or by us, or by applicable law.

2. **Information on the Check.** Any image of a Check that you transmit through the MCDS must accurately and legibly provide all of the information on the front and back of the Check at the time it was presented to you. You authorize the Bank to supply an endorsement on your behalf for deposit to your account if a Check is missing or has an improper endorsement.

You agree that the scanned image of each Check shall provide the following information: (1) identification of the drawer and the paying bank that is preprinted on the Check, including complete, full-field, and accurate MICR (magnetic ink character recognition) line, routing transit number, number of the account on which the Check is drawn, and drawer signature(s); (2) amount, payee, date, Check number; and (3) other information placed on the Check before imaging, such as any required identification written on the front of the Check and any endorsements applied to the back of the Check.

3. **Your Representations and Warranties with Respect to Prohibited Checks.** The Bank in its sole discretion may refuse to accept, and you represent and warrant that you shall not use the MCDS to deposit, any Checks that:

- i) are payable to any person other than you;
- ii) are substitute checks as defined by Check 21 or IRDs (image replacement documents) that purport to be substitute checks and which have been previously endorsed by a financial institution;
- iii) are dated more than six (6) months prior to the date of deposit; iv) have a duplicate MICR code line;
- v) are missing or have an invalid or incorrect routing number;
- vi) are photocopies or otherwise not original paper Checks when they are scanned;
- vii) are issued to multiple parties;
- viii) are third party or second endorsed Checks; ix) do not qualify as "original checks" as defined in Regulation CC.

In the event that you breach any of these representations or warranties, you agree to defend, indemnify and hold the Bank and its agents harmless from and against all liability, damages, and loss arising out of any claims, suits or demands brought by third parties with respect to any such breach. You further authorize us to charge your account(s) for the amount of any claim, suit or demand that constitutes a breach of warranty claim under the provisions of Check 21, Regulation CC and/or the Uniform Commercial Code.

Additionally, you acknowledge that the Bank may refuse to accept for deposit a check or draft issued by you, or by any other person on any of your accounts or any account on which you are an authorized signer or joint account holder.

- f. **Rejection of Deposit by the Bank.** After we receive Check images and all other required deposit information from you through the MCDS, we shall provisionally credit your designated account for the total amount of such Checks. The provisional credit is subject to final payment of the Checks and is also subject to your Deposit Account Agreement.

You agree that all deposits received by us are subject to verification and final inspection and may be rejected by us in our sole discretion, and you shall be liable to the Bank for any errors, inaccuracies, breach of warranties and any other loss sustained by, or claim made against the Bank relating to such deposits.

The Bank is not liable for any service or late charges that may be imposed against you due to the Bank's rejection of any Check that you transmit for deposit through the MCDS. In all cases, you are responsible for any loss or overdraft plus any applicable fees to your account due to a Check being returned.

You acknowledge and agree that, while we normally provide notice of rejected deposits, we may reject any Check transmitted through the MCDS in our sole discretion without notice to you, and we will not

be liable for any such rejection or failure to notify you of such rejection. If we reject a Check for remote deposit, you must physically deposit the original Check.

g. Checks Returned Unpaid. You are solely responsible for verifying that Checks that you deposit by using the MCDS have been received and accepted for deposit by the Bank. The Bank will provide you with notice of any deposits that it is unable to process because Checks were returned unpaid by the payor financial institution. You agree to accept such notices at your e-mail address on file with us, but we may choose any reasonable method for providing such notices to you. You agree to notify the Bank in the event you change or cancel your e-mail address.

In the event that the Bank credits your account for a Check that is subsequently dishonored and returned, you authorize the Bank to debit the amount of such Check plus any associated fees from the account. To the extent that funds in your account are insufficient to cover such amount, we shall debit the deficiency amount from any of your other account(s) with the Bank in our sole discretion. Our right to charge your account(s) will apply without regard to whether the Check was timely returned or whether there is any other claim or defense that the Check was improperly returned.

You understand and agree, since you will retain possession of the original check when using the MCDS, the original check will not be returned and the Bank may charge back an image of the Check, an ACH debit, or other electronic or paper debit, as applicable, to your account if the item is returned unpaid to the Bank. See section "I" for retention requirements. You further agree that any image that we charge back may be in the form of an electronic or paper reproduction of the original Check or a substitute check.

You may not use the MCDS to deposit a substitute check and you may not deposit the original Check through the MCDS or in any other manner if you receive a dishonored Check. You agree to comply with any additional instructions we may provide to you in connection with returned Checks.

h. Deposit Limits. The Bank reserves the right to impose limits on the amount(s) and/or number of checks that you may transmit using the MCDS each business day and to modify such limits from time to time. The maximum amount deposited and the maximum number of items deposited may not exceed the limits established by the Bank.

i. Your Duty to Report Errors. The Bank will provide you with periodic statements that will identify the deposits that you make through the MCDS. In addition, you may access the Bank's Personal Online Banking service for information about your deposits, return items, deposit adjustments, Checks and other transactions on your accounts. You agree that it is your responsibility to review all such information that the Bank makes available to you in a timely manner to verify that deposits made through the MCDS have been received and accepted by the Bank and are accurate. Receipt of a Check by the Bank through the MCDS does not constitute an acknowledgement by the Bank that the Check is error-free or that we will be liable for the Check.

You agree to notify us of any errors, omissions, or discrepancies in a deposit within the time periods established in your Deposit Account Agreement.

You may notify us by e-mailing us at onlinesupport@crossfirstbank.com or writing to the Bank at: P.O. Box 27107, Overland Park, KS 66225-7107 or telephoning us toll free at (844) 261-2548.

You agree to cooperate in any investigation by the Bank of any unsuccessful or lost transmission. Subject to applicable law, any failure by you to notify the Bank of any error, omission or other discrepancy in accordance with this Service Agreement and your Bank Account Agreement shall relieve the Bank of any liability for such error, omission or discrepancy.

j. Availability of the MCDS. The Service is generally available 7 days a week, 24 hours a day. At certain times the Service may not be available due to system maintenance or technical difficulties, including those of the wireless service provider, the software, or circumstances beyond our control. If you are not able to use the Service to make deposits you may physically mail or deliver your deposits to the Bank

through our branches or through certain of our ATMs. Deposit of original Checks at a branch of the Bank or an ATM shall be governed by the terms and conditions contained in your Bank Account Agreement and not by the terms of this Agreement. The Bank is not responsible for providing an alternate method of remote deposit if the Service is not available.

k. Funds Availability. "Funds Availability" refers to your ability to use the funds that you deposit into your account through the MCDS. This funds availability policy only applies to deposits made using the MCDS. You agree that items transmitted using the MCDS are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. Deposits made at a branch location or ATM remain subject to the funds availability policy outlined in your deposit account agreement.

The funds for the Checks that you deposit through the MCDS may not be immediately available to you. In order to determine the availability of your funds, you will need to determine the date and time that the Checks and all required data and information are received by the Bank. You understand and agree that we shall not be deemed to have received a Check deposit through the MCDS until we notify you via onscreen messaging and/or e-mail that we received the Check deposit.

The deposit cut-off time for the MCDS is 7:00 PM Central Time (CT) on a business day as defined in Section 7. The Bank reserves the right to change the cut-off time in its sole discretion. Such change shall be effective immediately and may be implemented before you receive notice of the change. You may contact us at any time to verify our current cut-off time. If you complete the scanning and transmission process and receive your deposit receipt, checks that you deposit before the cut-off time on our business days will be considered as received that same business day. Checks that are received by us through the MCDS after the cut-off time on a business day, or on any day that is not a business day, will be considered as received by us on the next business day. For purposes of determining when a deposit is received, the Bank's records shall be determinative.

Your deposit made using the MCDS will generally be available on the first Business Day after the day of deposit. The Bank may delay availability of funds based on such factors as credit worthiness, the length and extent of your relationship with us, transaction and experience information, and such other factors as the Bank, in its sole discretion, deems relevant. We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. In general, funds delayed for the above reasons will be available no later than the second Business Day after the day of your deposit. You agree that it is your responsibility to understand and build into your transmission schedules the appropriate deadlines necessary to meet our funds availability schedule.

We are not liable for transactions you initiate before the funds are available for your use. Until the funds are made available, you may not withdraw the funds in cash and we may not use the funds to pay items that you have written or honor other withdrawals you request. If we pay items that you have written or honor other withdrawals before funds are available to you, we may charge a fee for this. Even after the item has "cleared," we have made funds available to you, and you have withdrawn the funds, you are still responsible for items you deposit that are returned to us unpaid and for any other problems involving your deposit.

I. Storage, Security and Destruction of Original Checks. You agree that once a Check has been deposited through the MCDS, the original Check is your property and not the property of the Bank. You shall securely store the original Check for a reasonable period, not to exceed 30 days, after you receive a deposit receipt through the MCDS that the Check has been accepted. While the original Check is in your possession, you agree to use a high degree of care to safeguard the original Check and related files against security risks. Security risks include, without limitation, the theft or reproduction of the original Check or unauthorized use of the information on the Check or in the file. You shall take appropriate security measures to ensure that: a) only authorized persons shall have access to the original Check; b) the information contained on the Check shall not be disclosed to unauthorized persons; and c) the original Check will not be duplicated, will not be scanned more than one time, and will not be presented, deposited or negotiated again in any way. Upon request by the Bank you will promptly provide to the Bank the retained original Check, or a sufficient copy of the front and back of

the Check in form acceptable to us, to aid in the clearing and collection process, or to resolve claims by third parties, or for our audit or fraud loss prevention purposes.

After the 30 day retention period expires, you shall destroy the original Check by shredding it or by any other permanent deletion manner that does not allow the original Check to be accessed by an unauthorized person(s) and in a manner that the original Check is no longer readable or capable of being reconstructed. After destruction of an original Check, the image will be the sole evidence of the original Check.

You agree to be responsible to us for any losses, costs, expenses, and damages we may incur as a result of your failure to comply with the provisions of this Section.

m. Prohibition Against Presenting Checks More than Once. Once you have used the MCDS to deposit a Check you agree not to present, or allow anyone else to present, that original Check or a substitute check of that original Check again for deposit through the MCDS or by any other means. If you or anyone else present a Check or substitute check for deposit more than once, in violation of this Service Agreement, you agree to indemnify, defend and hold the Bank harmless from and against all liability and damages that may result from any claims, suits or demands from third parties with respect to such Check or substitute check.

You agree that we may debit from your Bank account the aggregate amount of any Checks that are deposited more than once. To the extent that funds in your account are insufficient to cover such amount, we shall debit the deficiency amount from any other of your account(s) with the Bank in our sole discretion.

n. Service Fees. Currently we do not impose any fees for the MCDS. We reserve the right to impose fees for the MCDS in the future and we will notify you of any such fees, in the manner and to the extent required by this Service Agreement and by law. Your use of the MCDS after the effective date of any fee changes shall constitute your agreement to such fee changes. You also understand and agree that you are responsible for any wireless service provider charges and any and all other fees and charges that you may incur by accessing and using the MCDS.

o. Your Representations and Warranties. In addition to your representations and warranties contained in other provisions of this Service Agreement, you represent and warrant that:

- a. Each Check you deposit through the MCDS will be an item as defined in the Kansas UCC Article 4, and that item, once negotiated by You, carries your transfer and presentment warranties as described in said UCC;
- b. Each image of a Check you transmit to us is a true and accurate rendition of the front and back of the original Check, without any alteration, and the drawer of the Check has no defense against payment of the Check.
- c. You are authorized to enforce each Check you transmit for deposit or are authorized to obtain payment for each Check on behalf of a person entitled to enforce such transmitted Check.
- d. You are solely responsible for any and all financial risk that may be associated with your use of the MCDS, including without limitation the risk that a Check will be returned for insufficient funds.
- e. You are solely responsible for the instructions you provide to the Bank and for failing to properly access or use the MCDS, including without limitation input errors.
- f. You will not deposit or otherwise endorse to a third party the original Check, and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original Check or a paper or electronic representation of the original Check such that the person will be asked to make payment based on an item that has already been paid.
- g. You will only transmit acceptable items for deposit and have handled the original items in accordance with applicable laws, rules and regulations.

If you breach any of these representations and warranties, you agree to indemnify, defend and hold the Bank, its shareholders, parents, subsidiaries, affiliates, officers, directors, employees, agents, and

its and their successors, heirs and assigns harmless from and against any and all liability, damages, or losses arising from any claims, suits or demands from third parties with respect to such breach. You further authorize the Bank to debit your account for the amount of any such claim, suit or demand that results from a breach of warranty claim under the provisions of Check 21, Regulation CC, and/or the Uniform Commercial Code. You will maintain funds in your account(s) in amounts and for a period of time as we determine in our sole discretion to cover any outstanding Checks and your obligations for returns of Checks, warranty claims, fees and other obligations. If any such liabilities exceed the amount in the applicable account(s), we may charge such excess against any of your other accounts at the Bank and you will pay us any amount remaining unpaid immediately upon our demand.

p. Mobile Deposit Security; Data Security. You understand that Check images captured using your Mobile Device are stored on the Mobile Device only until the associated deposit has been successfully submitted. You agree to promptly complete each deposit. In the event that you are unable to promptly complete your deposit, you agree to ensure that your Mobile Device remains securely in your possession until the deposit has been completed or to delete the associated images from the application.

It is your responsibility to notify us immediately by toll free telephone at (844) 261-8548 with written confirmation if you learn of any loss or theft of original Checks. You will ensure the safety and integrity of original Checks from the time of receipt until the time of destruction. You agree to protect the confidentiality of your account and account number, your data, and your personal identification information. Notwithstanding our efforts to ensure that the MCDS is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including e-mail, occur openly on the Internet and potentially can be monitored and read by others. We cannot and do not warrant that all data transfers utilizing the MCDS or e-mail transmitted to and from us, will not be monitored or read by others.

7. BUSINESS DAYS/HOURS OF OPERATIONS

Business Days are Monday through Friday, except federal holidays. We may require that all transactions be performed on a Business Day.

10. ACCESS CODES AND SECURITY

To help enhance your security, you must follow these general safety guidelines:

- a. Never walk away from your computer while logged on to this Service.
- b. Memorize your user ID and password ("Codes").
- c. Change your Codes regularly.
- d. Choose Codes that are not easy to guess. Use a minimum of 8 characters and a maximum of 12 characters with a combination of at least 1 number and 2 letters (e.g., 9aA6Bc3d). Codes are case sensitive and should contain at least 1 lower case and 1 upper case alphabetic character, as well as 1 special character. Do not use names of family members, pets, common character sequences, proper names, geographic locations, personal details such as a Social Security number or birthday, etc. Words in a dictionary, derivatives of user IDs and common character sequence such as "12345678" should not be employed.
- e. Never disclose your Codes to any other person. Your Codes are for your personal use and should be kept confidential by you. If someone identifies him or herself as a CrossFirst Bank employee and asks for your Codes, that person is an imposter.
- f. Check your statements and review your banking transactions promptly, thoroughly and regularly. Report errors or problems immediately to CrossFirst Bank.
- g. Should you receive a suspicious e-mail or telephone request for information that purports to be from CrossFirst Bank, you must immediately notify us by toll free telephone at (844) 261-2548.
- h. You agree that we are entitled to act upon instructions we receive with respect to the Services under your Codes or authentication method that we require. You are liable for all transactions made or authorized with the use of your Codes. We have no responsibility for establishing the identity of any person who uses your Codes. You agree that if you give any component of your Codes to anyone or fail to safeguard its secrecy, you will be in violation of your obligations under your Bank Account Agreement and this Service Agreement. You agree to take appropriate steps to ensure that all components of your Codes are protected and kept confidential.

You agree to indemnify and release us from any and all liability, and agree not to make any claim or bring any action against us, relating to our honoring or allowing any actions or transactions that are conducted under your Codes or acting upon instructions, messages or authorizations provided to us using your Codes.

By accessing Services with your Codes, you authorize us to complete the requested transaction(s) through the Service. Any requests or instructions we receive from you through the Service using your Codes shall be considered "in writing" under all applicable law and shall have the same force and legal effect as a writing signed by you. This includes, but is not limited to, inquiries, deposit transactions, Checks deposited, Check images, changes to accounts or services or any other communication you provide us through the Services using your Codes.

Additional Security Measures:

Some transactions require additional security provided with a one-time use code (the "Code"). The Code may be provided via telephone or text message. If you receive the Code via text message, you agree to be bound by the terms of use for text message delivery as defined in this document in Section 23. The code is a randomly generated number the Bank provides. You must enter the code in order to complete certain transactions in order to prevent fraudulent or unauthorized access to your financial information. Use of the Code is defined by transaction type, and may be changed from time to time at the Bank's discretion. Additional security measures may be added from time to time at the Bank's discretion.
